DESCRIPTION

This Defender is one of 150 Works V8 70th models launched in January 2018 as a low-volume, high performance birthday special to mark Land Rover's 70th Anniversary. It has a naturally aspirated 5.0-litre V8 which delivers 405 Ps and 515 Nm of torque. Acceleration from 0-60 mph is accomplished in just 5.6 seconds and it has a (electronically limited) top speed of 106 mph. The V8 powertrain is complimented by an advanced ZF 8-speed automatic gearbox with sport mode, completing each gear change in 200 milliseconds. The dual-speed transfer box with automatic torque biasing centre differential, shifts up to 90% of torque to the front or rear axle as required. A reconfigured suspension features improved springs and dampers. The all-new 18 inch diamond-turned Sawtooth alloy wheels, all terrain tyres and upgraded brakes provide additional driving confidence. The luxurious interior of the 70th Edition features Recaro sport-seats which, along with much of the other interior surfaces, are trimmed in Windsor leather. This 90 is finished in Roma Red with an Ebony interior. For more information please contact a member of the Land Rover Classic sales team.
